

Hello El Paso Triathlon Club,

Come join us Friday night at 7:00 PM and say goodbye to Francois Modave, who is leaving us for the great state of Washington. Rumor has it that he is going to become an apple farmer!

Francois has been with the El Paso Triathlon Club from the beginning. He freely offered to act as the club coach and designed organized workouts for us over the past 1 1/2 years. Most off all, he is a good friend to many off us and he was always looking to have fun and share a laugh. He will be missed!

FRIDAY - JULY 17

7:00 PM

ARDOVINOS PIZZA - RED AND RESLER

If you plan on attending please respond to this email. The restaurant does not take reservations so a few of us are going early to get the indoor/outdoor patio. It would be helpful to have a head count!

See you Friday,

Matt Emrich
